

SECONDARY LEGISLATION

Local Government (Registration of Scavenging Contractors) Regulations 2004

GN No. 41 of 2004

In force 1st April 2004

1. These regulations may be cited as the **Local Government (Registration of Scavenging Contractors) Regulations 2004**.
2. Any scavenging contractor may register himself under these regulations.
3. An application for registration as a scavenging contractor shall be made to the Permanent Secretary in the form specified in the Schedule and shall be accompanied by the documents specified therein.
4.
 - (1) On receipt of an application under regulation 4, the Permanent Secretary may require an applicant to provide such additional information as he thinks fit.
 - (2) Where the Permanent Secretary is satisfied that the applicant meets the requirements for registration, he may register him.
5. The Permanent Secretary shall keep a register of registered scavenging contractors. The Permanent Secretary may request any registered scavenging contractor to submit in writing information with respect to the number of waste carriers in operation, the number of his employees and the experience and financial standing of his company or firm. Where a registered scavenging contractor-
 - (a) has furnished false information at the time of his application for registration or after;
 - (b) refuses to comply with a request made by the Permanent Secretary under regulation 7; or
 - (c) no longer satisfies the requirements for registration,

he may, by way of letter sent by registered post, require the registered scavenging contractor, within 21 days from the date of the letter, to show cause why his registration should not be cancelled.

- (2) The Permanent Secretary may, on being satisfied that after having regard to all the circumstances of the case it is expedient to do so, cancel the registration of a registered scavenging contractor.
6. A **local** authority shall, when advertising tenders for the procurement of services from a registered scavenging contractor, request the registered scavenging contractor to submit evidence of his registration.
 7. No **local** authority shall enter into a contract for the collection and transportation of waste with a scavenging contractor unless he is a registered scavenging contractor.

The **Local Government** (Registration of Scavenging Contractors) Regulations 2003 are revoked.
